Diploma in Textile Engineering (2021–2025)

Barishal Textile Institue, Gournadi, Barishal | CGPA: 3.23

COURSE

Complete WebDevelopment(2023–2024)

Programming Hero

Next level Development(2024–2025)

Programming Hero

PROJECTS

BookShop

Built a complete MERN Book Shop app with JWT authentication, role-based user/admin dashboard, and integrated SurjoPay payment system.

Tech Stack: React.js, TypeScript, Node.js, MongoDB

Features:

- User authentication
- Dashboard for admin and user
- Booking system

TutorLink

TutorLink is a full-stack web application where students can find tutors, book sessions, and manage their learning.

Tech Stack: Next.js, Node.js, MongoDB

Features:

- User authentication
- Dashboard for students and tutors
- Booking system

Link: [Live-site](#) [FrontEnd-repo](#) [BackEnd-repo](#)

Blogging Platform

A secure and scalable backend API for a blogging platform with role-based access control, where users can create blogs and admins can manage users and blogs.

Tech Stack: React.js, TypeScript, Node.js, MongoDB

Features:

- User authentication & authorization using JWT
- Users can create, update, delete their own blogs
- Public API supports search, sorting, and filtering of blogs
